The platters will come all ready for you to serve directly to your guests on our box trays.

Half and half platters are available for most items, please enquire.

You can pick up from our premises or we can deliver directly to you or your event for a small charge within city limits.

For our warm platters - these can be picked up or delivered either hot or cold (for you to reheat).

While we do our best to cater to specific allergens, we would like to inform you that our food is prepared in a kitchen that does contain allergens.

All menus and pricing are subject to change.
